I believe our file transfer site did not work for USACOE, so I have attached the file. Please let me know if you have issues with the attachment.

Hi Holly,

Would you please send a link to the USACOE staff copied on this e-mail so that they can download a copy of the report? I received the report, but the file size is too large for me to forward directly to the USACOE staff.

Thank you,

Melanie

Hello,

Would you please send me a copy of the report that documents the source removal work that Northrop conducted at the TRW Site? (This is for the Five-Year Review.)

Many thanks, and I appreciate your patience in advance as I catch up on e-mails and correspondence,

Melanie
